President's Message

Volunteers

I know there are a lot of people that have worked very hard the last month, unfortunately I have been gone the first half of the month, working (and playing) in Alaska and have not had time to get a line on everyone that helped.

Thanks to all the members who spent some time in June keeping the club running smoothly and doing the always necessary maintenance work. Your efforts are appreciated by all the other members.

Events

Lots of events are coming up rapidly.

On June 29 we have the PITA shoot at shotgun and the Governors cup at the Pistol range. We also have the Washington State Cast Bullet Championship on June 29 and 30th. The Club Event Day will happen about the same time as this newsletter is mailed, so the write up will be in the next newsletter.

Shortly thereafter, on July 13 and 14th, the Archery 3-D Big Game weekend shoot will be held. The entire facility will be closed and the Archery Committee will have the run of the place for their event.

August will see a bunch of more special events at our facility. Friday, August 2nd, we will host the Annual Ducks Unlimited Shoot, Dinner, and Auction. It's the local DU's fund raiser and everyone is invited to join DU and have a bit of fun while helping with their conservation causes.

Big 5 will be out for their annual training session on Tuesday, August 6th.

The NFL Alumni Players Association will hold a charity shoot at the shotgun range on Friday, August 23rd.

Work Parties

We have a work party scheduled for Range 2 on the weekend of July 13 and 14. That is the weekend of the BIG GAME 3-D Archery Shoot. All the rifle and pistol ranges will be closed that weekend and it's a good weekend to get things done on those ranges.

We will once again paint the red areas on Range 2 and 3 and we will be hanging some extra steel on the baffles on Range 2. If we get enough volunteers, we will be cleaning up the range building also. Anyone that will be available that weekend, please leave your name, phone number, and email address with any range master.

Things have been moving forward at your club. We have been very busy cleaning and repairing things at the club. Our Senior Range Master has been rebuilding our Big Toro Mower. Our maintenance people have been mowing and weed eating all over the place. The trap staff has been working on the new repair shop and all the trap machines. Construction of the new front gate is progressing and it should be up for all to see shortly.

Things are looking up all over the club.

If you have any suggestions or constructive comments please email us or drop them off with the range master with my name on the front.

Shotgun Committee

Shotgun hours of operation are:

Daylight Saving hours

Tues	5:00 pm to 9:00 pm
Wed	Noon to 7:00 pm
Thur	5:00 pm to 9:00 pm
Sat	10:00 am to 7:00 pm
Sun	10:00 am to 5:00 pm

The shotgun committee has been very busy, Our first PITA match was a big success, and our second match will be held on June 29th, 2002, with lunch catered by OJ's Ribs on wheels.

The last match in the traveling tournament McMurry Cup match is coming up and we are trailing the Machias club. This match was a success and we intend to continue it next year.

We are talking to the NFL players alumni association about a special charity trap and 5-stand event to be held at our club on August 23rd, 2002. Proceeds to benefit needy children. Signups for members interested in shooting on a players squad will be in the shotgun clubhouse after June 30th, 2002. The fee for this match will be \$100.00 per shooter.

Shotgun committee wants to give a special thanks to Terry Diener and avid Levinson for all the work they put in on the events of the past two months.

June 2002

We had a good turnout for our June match- with nearly every bench in the first two bays filled. Conditions were very tricky- with constantly shifting winds- baffling even for those with wind flags. A good day for pointy, boat-tail bullets going real fast.

In the first match Rod McDonald was the first to score 100 this day, Joseph Burns was second with 97-2X and Rick Graham was third with 97-0X. In the second match Jerry Earl showed his real potential shooting a tiny, round, beautiful group and scoring 100-2X. Rick and Mac McCluskey both scored 99-2X and Joseph shot a 99-0X.

At 200 yards Richard Nicol was first in match one with 100-4X, Joseph shot a target with a fantastic X-count, 99-5X, and Jerry was third with 98-1X. In the last regular match Rick beat everyone with 100-3X, Joseph was second with 99-2X and Amos was third- quietly shooting down there on bench 12. He scored 98-2X. Congratulations to Joseph Burns for scoring trophy points in every match. He's a terrific shooter who drives down from Anacortes to compete with us. It's great to have him at our matches.

We also had a fly shoot. Mac McCluskey offered gunsmithing services to the winner. The match was shot at 200 yards and after the fly juice had been cleared away both winners were in the Nicol clan/tribe (?). Leonard scored 19X as did Richard. Please note that the next best score was 18 shot by Mark Burns in factory class. Great shooting Mark! And thanks to Mac for his generosity and to Wally Siebert for helping with the match.

Next match is July 6. If there's time we'll have a low-stakes money shoot after the regular matches. Call Richard Nicol at (206)784-1093 for info.
