WCW STAR FITA

WCW CHAMPIONSHIP ROUND

& 900-ROUND

June 5, 2011

On June 4 and 5, WCW archers will host our second FITA archery weekend of the 2011 season. All of our tournaments are now registered with USA Archery Star events. Because the range may still be soft due to the wet spring, be prepared for mud. As usual our tournaments follow USA Archery and FITA rules and bow classifications.

Saturday's tournament will be a FITA 1440 at four distances. On Sunday, we will shoot a 72-arrow Olympic-style Championship round followed by a series of one-on-one shoot-offs. Beginning this year, Compound archers will shoot the Championship Round on 80cm individual faces at 50 meters, while Recurve archers will shoot at the traditional 70 meters.

On Sunday, we will also shoot a kid or novice-friendly 900 Round in meters.

Practice: 9-9:45 am
